Live Boldly. Design Boldly.

I believe design should take risks and come from a place of creativity. I am super enthusiastic about design and want that to exude from my projects into the consumers' hands and hearts.

Objective

I would like to obtain a position with a company that can provide a rewarding and challenging career. I would love to have the opportunity to learn and grow with such a company that helps me build off of some of my qualifications as well as build up some of my other abilities in order to be a well-rounded employee.

Experience
